

Yare Valley Sailing Club

Objective

Founded in 1948 to foster greater friendship between keen sailors, to encourage those whose interests lie primarily in cruising and maintaining sailing craft, and to protect their interests.

YVSC Today

We all enjoy another circle of companionship, everyone has their own boat to retreat to for private or quiet moments, but there are friends around to sail with, chat to, and moor alongside.

We sail in company not competition, evenings are spent in a variety of ways, on each others boats, bank side barbeque's or out for a meal.

We have one common bond - Broads sailing and the care of our boats - and where else could you find such a wealth of knowledge and advice [spiced with humor and friendship].
